More Info

- We love throwing art parties at 345 Art Creative! We have a diverse choice of activities and programs suitable for children aged 4 to 15.
- All materials needed for the activity will be supplied by us.
- Every child at our art party has their own masterpiece to take home.
- Our gallery only host one event at a time, so you can enjoy your complete privacy.

PARTY STRUCTURE

- The party lasts two hours.
- At the start, there is 15-minute greeting time for the children to warm up. Then there are 60-minute art/craft activities supervised by an art teacher. The remaining 45 minutes are for eating lunch, cutting the cake, taking pictures, and collecting the children's masterpieces.
- Our teacher will lead the children through their selected art activity during the party, where they will create their own stunning creations to take home. The cake cutting will be led by the parents, and party food will be served during the last 45 minutes.
- In the meantime, parents are welcome to stay and enjoy our Café space.
- Parents have 30 minutes free before and after the event to set up and pack away. If you require additional time, an hourly rate of $50 will apply.
